

LAN QUOC NGUYEN

Governing Board Member, Garden Grove Unified School District

GGUSD is one of the top performing school districts for academic excellence and is known statewide for its model programs and practices. I'm proud to be a member of the board that focuses on student successes like laser beam.

GGUSD is the first and only school district in Orange County recognized as the Exemplary District for its model programs. For five years in the row, all seven high schools were ranked America's Best High Schools by the U.S. News and World Report. We even received the Best Communities for Music Education Award for 2022.

In addition, our college readiness rate has far surpassed the County and State from 25% in 2002 to 61% today. Our graduates are more ready to excel in college and future careers than ever.

We've greatly expanded our technology infrastructure and achieved over 1-1 computer per student ratio at all school sites, invested over one billion dollars to modernize all 68 schools to meet students' needs in the digital age. This investment has greatly increased property values in the surrounding neighborhoods.

This trend must continue for our students and community. I humbly ask for your vote. For more information, visit www.lannguyen.com
