

KATIE MCEWEN

Parent/Teacher

My family has lived in Irvine for 18 years, and our 3 children have attended Irvine public schools from kindergarten to graduation. My husband and I have been actively involved in Irvine schools, community organizations, and sports. I've served IUSD both as an English teacher and a substitute teacher.

For the past 3 years, student need for career pathway education led me to chair "Career Cafe" for Woodbridge High School; finding and hosting speakers who shared information with underserved students about their non-traditional career pathways. For this work, the PTSA honored me with an "Honorary Service Award."

A partnership among teachers, parents, and students is essential for our children's success. I will support all students so they can achieve their learning goals. I have 10 years of experience attending IEP meetings for my student and recognize how tough the pandemic was for everyone.
