

RICHARD INGLE

Attorney/Business Owner

I am running for the governing board of the Placentia Yorba Linda Unified School District (PYLUSD). My qualifications include undergraduate degrees from UCLA, finance experience with Merrill Lynch, a juris doctorate degree, and over eighteen years as a litigation attorney. With two children attending school in the district, I have also seen first-hand the need for accountability and a return to academics in our schools.

Professionally, for over 25 years I have served clients by gathering and analyzing facts. In finance, that included detailed analysis of corporate structures and financial statements to protect and grow investment portfolios. As an attorney, I am tasked with discovering facts others are unwilling or unable to uncover, analyze those facts to manage risks, hold wrongdoers accountable, and effect positive change in our community.

Vote for me and I will use my education and experience to remove political agendas from our schools, restore academics, and ensure your tax dollars are used to educate, not indoctrinate, our children.
