

KATELYN BRAZER ACEVES

Family Community Liaison

I am seeking your vote for Santa Ana Unified School District Board of Trustees, Area 4.

I understand how important education is to our local families. I am a first-generation college graduate with a Master's degree. I am passionate about investing in our youth so they can excel in education, career and life.

For the last 10 years, I have worked with educators, parents and students to facilitate countless educational workshops on resources for our students and families. As a Family Community Liaison with the Orange County Department of Education's Alternative, Community, and Correctional Education Schools and Services, I work alongside teachers, school counselors and principals to provide families and students with interpretation services, food resources, school supplies and referrals to community services and programs.

I care a lot about students and families in Trustee Area 4. As a child, I grew up playing at Thornton Park with my grandmother. I recently bought a home in this area, where I live with my husband Fernando and Winston, our cat. Through my professional work and community involvement, I have interacted directly with many students and parents in Trustee Area 4 and have heard their concerns and aspirations for the future. I am committed to representing our local community as SAUSD Trustee and have the support of local leaders, including two Santa Ana School Board Trustees, Dr. Alfonso Alvarez and Dr. Rigo Rodriguez, and Vicente Sarmiento, Santa Ana Mayor.
