

JESSICA GUERRERO

Education Policy Advisor

As a lifelong resident of Anaheim, graduate of Anaheim High School and Sycamore Junior High School, and a daughter of a 15-year AUHSD classified employee; I am proud to be running for Anaheim Union High School District Trustee to be a voice for students and families like mine. I have devoted my life to education and working with students, I have directly worked with junior high, high school, and university level students from AUHSD and public universities. After receiving my Bachelor's Degree in Public Administration at Cal State Fullerton, I then went on to be the first in my family to earn a graduate degree, and have a Master's Degree in Public Policy with a focus in Education Policy from UC Irvine.

As an Education Policy Advisor at the County of Orange, I work alongside government agencies and non-profit organizations to expand opportunities connecting our community to resources. Recently, I organized a leadership program for 45 high school students to learn about County government and nurture their professional development.

As a Trustee, I will focus on expanding learning opportunities that emphasize college, career, and life readiness; advocate for state-of-the-art school facilities; and expand community partnerships for the students and families in AUHSD Area 1.
