

**BRENDA ESTRADA**  
Community Volunteer

Our neighborhood needs a lifelong resident's voice on our school board. As a former student of the Buena Park School District, my passion for public service here in my hometown runs deep.

I have seen firsthand the impact our school board has on our children. As an involved school district volunteer, I understand that true student achievement accounts for at-home factors.

My experience as an educator, with four years of classroom experience as a teacher's aide in Buena Park, has given me skills necessary to be an effective representative.

As your School Board Member, I will work to:

- Prioritize safety on campus and when returning home.
- Elevate student voices and identify their individual needs.
- Budget campuses equitably and with fiscal responsibility.
- Integrate lunchtime and afterschool tutoring programs.
- Prevent bullying and provide behavioral intervention support.

I'm proud to be endorsed by local School Board President Arturo Montez, School Board Vice President Lamiya Hoque, School Board Member Luis Flores, and Buena Park Council Member Connor Traut.

I am here for you and your family. Please connect with me directly at [BrendaForBuenaPark@gmail.com](mailto:BrendaForBuenaPark@gmail.com) or on my cell at 714-519-8673.

I humbly ask for your vote.
