

SANDRA LEE

AGE: 44

Governing Board Member, Cypress School District,
Trustee Area C

It has been a distinct privilege to have represented you on the Cypress School District Board of Trustees. I have made it my utmost priority to keep students at the front and center.

I received my Masters of Education at UCLA, and worked in public education for nearly 20 years in different capacities as a kindergarten, 1st, 2nd, and 5th-grade teacher, instructional coach supporting teachers, and building partnerships as an administrator. Equally important, I am also a parent of a child in this district who desires our children to be best equipped for their future.

If you re-elect me as your Cypress School District Governing Board Member, I will:

Ensure a rigorous, high-quality educational program to prepare students for high school and college

Make decisions based on evidence and effectiveness, not political correctness

Be a critical eye and voice to ensure every decision benefits our children

Work with all stakeholders to make Cypress School District one of the best in Orange County

I'm not a politician but a pragmatic citizen, a proactive mother, and a passionate educator seeking to serve the students and families. I respectfully request your support in voting for Sandra Lee for Cypress School District.
