

**DIANA MARKS**

Governing Board Member, Huntington Beach City School District

As a board member of HBCSD for the last four years, I have worked productively with our governance team to improve communications with all stakeholders, transparency and accountability in budget decisions, school safety, technology for our 21st century classrooms, and develop a strategic plan that supports our mission of "Creating a community where learners thrive". During my tenure, I completed the Masters in Governance program and enhanced my governance skills.

As a 47-year resident of Huntington Beach I have dedicated my life to the HBCSD, as a teacher for 39 years, and a proud parent of three children who have attended HB City Schools. I believe in my core that the needs of students must be prioritized above any other agenda. As a teacher, I served as a teacher of the year, PTA liaison, coach, athletic director, and started PALS-Peer Assistance Leadership. I also served as part of the team that earned the California Distinguished School and National Blue Ribbon School awards.

The past four years have been challenging, but I am proud to say we have come a long way. Please vote for me so I can continue the progress we have made.
