

**ESTHER EVANGELISTA**  
Elementary School Counselor

Having raised three children in the Lowell Joint School District and being a current elementary School Counselor, I find it important to be active in the community. Together we are guiding future leaders. I believe in public education and have been active within the district for years because decisions directly impact our community. I've been involved as a classroom volunteer, member of School Site Council, Local Control Accountability Plan and held a previous President position for the Lowell Joint Education Foundation. My educational background includes a bachelor's degree, two masters degrees and two credentials from UCLA, CSULA, National University and LMU. I have work experience as an elementary teacher, substitute, school counselor and a homemaker.

As a lifelong learner and concerned constituent with motivation, dedication and experience, I understand our community and have the ability to view it from multiple perspectives. As your board member, I will:

Be a fair voice to make sure all stakeholders are represented.

Uphold the high value of our award winning district.

Advocate for a safe and engaging learning environment.

I humbly ask for your vote. Vote for Esther Evangelista to the Lowell Joint School District.
