

DAN PEARCE
First Responder

My name is Dan Pearce and I am running for the Ocean View School District Board of Trustees as a Father, Husband, Christian, First Responder, and Conservative Voice. Having three children in Ocean View School District, I know the importance of placing our children's educational needs above all else. Our children should be protected and taught a traditional based curriculum. The curriculum should be transparent. Parents should have a choice regarding their children's medical decisions and exposure to sensitive topics within the educational setting. Our teachers should be supported, respected, and well-paid for their commitment to our children's educational development. I believe that schools should never close their doors to our children, for any reason, ever again. Thank you for your consideration, and I hope to receive your vote.
