Realtor

I have lived in Rossmoor for 25 years serving our community on many levels. I'm married with one daughter who is the motivation for my passionate work to create programs, services and activities improving and sustaining the quality of life of Rossmoor. I spent 9 years on the St. Hedwig School Board including PTO president on AutumnFest Executive Committee. Currently, at Los Alamitos High School, I serve on multiple boards and committees. As a Director of the Rossmoor Homeowners Association, I have brought my fundraising skills in acquiring sponsorships for the RHA producing the most successful community events in the RHA's history, as proclaimed by the RCSD. I also serve on the Board of Directors with the City of Los Alamitos Chamber of Commerce.

I am the candidate who attends all local meetings and events for city, school, RCSD, Joint Forces Military Base and stays informed with schools, church, events, traffic, neighborhood watch, safety, street sweeping, trash and local businesses. Lastly, this involvement has allowed for seamless networking and coalition building. Lastly, as business owner/local Realtor skilled and savvy with our neighborhood I will bring balance to the board with much needed strong female leadership.
