

**TIM SHAW**

Member, Orange County Board of Education, Trustee  
Area 4

Tim Shaw and his wife Shannon have lived in North Orange County for most of their lives. They have six sons, all of whom attend public schools. Tim knows that a great education is the key to success in life. Both Tim and Shannon hold graduate degrees and work as teachers, with Tim teaching Political Science at the college level and Shannon working as an elementary school teacher.

In addition to being a father of six and an educator, Tim brings extensive experience serving the Orange County community. Tim served on the La Habra City Council for over a decade and was Mayor twice. He also served as the Chairman of the Orange County Transportation Authority (OCTA), and now serves as the President of the Orange County Board of Education. Tim earned his Eagle Scout award as a young man.

Some of Tim's achievements as your Trustee include:

Hosting a School Safety Forum, giving parents and local school districts critical information about safety in public schools

Adopting a "Parents Bill of Rights" policy that gives parents direct access to teachers and staff regarding their child's activities at school

Authorizing more charter schools, giving families more educational options

Approving inter-district student transfers, which empowers families to make the best educational decisions for their children

Worked to keep politics out of our classrooms

Keeping the county fiscally responsible, with \$185 million in reserves

"In these turbulent days, my experience and record of success working for the betterment of our students is important to solving education issues. Looming issues we will need to tackle include protecting local control of our school districts, keeping the State from injecting politics into our classrooms, keeping our schools safe, and making sure students and their parents have a voice in their education.

Because of my record of success, I am endorsed by: Orange County Sheriff Don Barnes, Orange County Board of Education Trustees Lisa Sparks, Ken Williams, Mari Barke, Jorge Valdes, Orange County Supervisor Don Wagner, Congress Members Michelle Steel and Young Kim, State Senators Janet Nguyen, Bob Huff (retired), Dick Ackerman (retired), State Assemblymember Phillip Chen, Fullerton Councilmembers Bruce Whitaker and Nick Dunlap, Garden Grove Mayor Steve Jones, Garden Grove Councilmember Stephanie Klopfenstein, and Stanton Mayor David Shawver."

Please vote for Tim Shaw for Orange County Board of Education.
