

## Argument in Favor of Measure E

**Vote YES on E to keep Irvine's world-class schools among the best in California and the nation.**

Outstanding schools make Irvine a very desirable place to live, creating demand for our homes and **increasing property values**.

Whether or not you have school-age children, **protecting quality local schools, home values and our quality of life is a wise investment.**

Some Irvine schools are now 30-40 years old and need upgrades to meet the same **safety and academic standards** as newer schools.

Voting **YES on E** will upgrade older classrooms and science labs to continue supporting the **highest levels of student achievement** and continue **attracting the very best teachers** to Irvine schools. It will ensure **ALL students have equal access** to modern instructional technology and learning tools.

### **YES on E will:**

- Provide classrooms and science labs that meet current academic and safety standards
- Provide facilities and equipment for career and technology classes to prepare students for college and good jobs in science, engineering, and technology
- Provide classrooms for Irvine's world-class art and music programs
- Improve traffic and safety around schools for students who walk or bike to school
- Upgrade classrooms, science labs, career-training facilities, and computer systems to keep pace with technology
- Ensure schools are accessible for students with disabilities
- Replace aging roofs, plumbing, electrical systems and inefficient heating and cooling systems

### **Mandatory Taxpayer Protections:**

- Every penny **must stay in Irvine** to support local schools
- By law, funds **cannot be taken away by the State** or used for other purposes
- An independent **citizens' oversight** committee and **annual audits** are required
- No funds may be used for administrator salaries

Irvine's teachers, parents, elected leaders and business community support Measure E because it will **keep Irvine schools among the very best and protect our property values.**

**Please vote YES on E!**
